HARD CITY

## Name: Vic Steel

## Description

When Vic wants something, he takes it. When he wanted command, he talked his way into a detective job. When he wants evidence, he drags out of people. The thing he can't seem to get is that one big win. Betting on the ponies has become all-consuming and eventually lost Vic his job Now he's determined to work his way back to the life he had, and he'll have to whip this crew into shape to get there.
